# TM "Arseniivskiy" presents a Raspberry kvass!

TM "Arseniivskiy" presents a novelty in 2020 - **live unpasteurized Raspberry kvass!!!**

**TM "Arseniivskiy" Raspberry kvass** is a unique drink that has no analogues on the Ukrainian market.

**TM "Arseniivskiy" Raspberry kvass** is a mix of natural raspberries and real live kvass based on barley-malt extract.
Raspberry, as one of the main kvass components, is a unique superfood, the fruits of which contain C, A and B vitamins, essential oils, malic, citric and salicylic acids which help to strengthen the immune system.
Despite the fact that this product from TM "Arsenyevsky" has recently appeared **on sale (in the "Silpo" trade network stores**), it has already managed to win the consumers love, because in order to taste delicious refreshment there is nothing better than a glass of cold natural kvass.

**The drink is made according to the original recipe of LLC "Live Kvass".**
