UKRPRODUCT GROUP WINS TENDER FOR DELIVERY OF SKIMMED MILK
POWDER TO KRAFT FOODS

Following the completion of the technical audit by Kraft Foods Ukraine ("Kraft Foods") in October, the Group is pleased to announce that it has today been informed that it has won the public tender for the delivery of 60 tonnes of high-grade skimmed milk powder ("SMP") to Kraft Foods. The consignment of SMP is due for delivery before the end of December 2007. The directors believe that the commercial terms of the agreement set a pricing precedent for the Group and should increase the possibility of favourable, quality-orientated business with Kraft Foods in the future.
