7. re-elect Roman Prannyuk, retiring in accordance with Article 17 of the Articles of Association of the Company, as a Director of the Company with effect from the date of the AGM;
8. approve the appointment of Baker Tilly Channel Islands Limited as auditor to the Company to hold office until the conclusion of the next annual general meeting and to authorise the Directors' to fix the auditor's remuneration;
9. increase the authorised share capital of the Company from GBP 5,000,000 divided into 50,000,000 Ordinary Shares, to GBP 6,000,000 divided into 60,000,000 Ordinary Shares. This increase in authorised share capital aims to assist the Directors in taking advantage of (should they chose to do so) the authority to allot, grant options or warrants over, offer or otherwise deal with shares of the Company under Resolution 10.
10. authorise the Directors to allot, grant options or warrants over, offer or otherwise deal with shares of the Company up to a maximum nominal amount equal to 35% of the nominal amount of the authorised but unissued share capital of the Company at the date of the passing of Resolution 10 (*taking into account the increase in authorised share capital under Resolution 9*) to such persons at such times and on such terms as they think proper without first making an offer to each person who holds shares in the Company, such authority to expire at the annual general meeting of the Company in 2015 unless previously renewed or varied. This resolution is conditional upon the passing of Resolution 9 (*increasing the authorised share capital of the Company*).

The Directors have no present intention of issuing shares pursuant to this authority, but consider it desirable to have the flexibility to use it should opportunities arise, including without limitation, for the purposes of raising capital and/or as payment for acquisitions by the Company in the Ukraine. As at the date of this notice the Company holds 1,750,250 Ordinary Shares as treasury shares - being issued shares for the purposes of calculating the authorised but unissued share capital of the Company and which may, amongst other things, be sold by the Company to such persons at such times and on such terms as the Directors think proper without first making an offer to each person who holds shares in the Company.

11. authorise the Company to purchase up to 9,000,000 of the Company's Ordinary Shares, representing 15% of the Company's authorised Ordinary Share capital (*taking into account the increase in authorised share capital under Resolution 9*). This resolution is conditional upon the passing of Resolution 9 (*increasing the authorised share capital of the Company*).

Having shareholder approval to buy back shares is a right that other public companies, and companies trading on AIM, have and the Directors' believe it is advantageous for the Company to have this flexibility to make market purchases of its own shares. In the event that shares are purchased, they would either be cancelled (and the number of shares in issue would be reduced

accordingly) or, be retained as treasury shares, with a view to possible re-sale at a future date, or be dealt with by the Company as otherwise permitted by the Companies (Jersey) Law 1991, as amended (“Law”).

12. replace article 28(3) of the Articles of Association of the Company by way of special resolution of the Company, with a new article reflecting certain amendments to the Law concerning accounts and permitting the Directors of the Company to prepare consolidated accounts for the Company instead of separate accounts, unless required to prepare separate accounts for the Company by the Shareholders by ordinary resolution.

Shareholders must be entered on the Group's share register at 5 pm BST on June 22, 2010 in order to be entitled to attend and vote at the AGM. Such shareholders may only cast votes in respect of shares held at such time. Changes to entries on the relevant register after that time shall be disregarded in determining the rights of any person to attend or vote at the AGM.
